IM Cannabis Shares Commence Trading on 30:1 Consolidated Basis

TORONTO and GLIL YAM, Israel, August 27, 2026 - **IM Cannabis Corp.** (“**IMC**” or the “**Company**”) (Nasdaq: IMCC), a medical cannabis company with operations in Israel and Germany, announces that, further to its press release dated August 18, 2026, the Company’s common shares, no par value per share (“**Common Shares**”), commenced trading today on the Nasdaq Capital Market LLC (“**Nasdaq**”) on a 30:1 post-consolidated basis (the “**Consolidation**”).

The Company’s existing trading symbol “IMCC” remains unchanged. The Company’s new CUSIP and ISIN numbers are 44969Q505 and CA44969Q5059, respectively.

After giving effect to the Consolidation, the Common Shares were reduced from 18,567,650 to 618,899 Common Shares, subject to rounding for fractional Common Shares. No fractional Common Shares were issued in connection with the Consolidation. Instead, all fractional Common Shares equal to or greater than one-half resulting from the Consolidation were rounded to the next whole number, otherwise, fractional Common Shares representing less than one-half of a Common Share were cancelled. The exercise price and/or conversion price and number of Common Shares issuable under any of the Company’s outstanding convertible securities were proportionately adjusted in connection with the Consolidation.

Computershare Investor Services Inc., the Company’s registrar and transfer agent for the Common Shares, has mailed letters of transmittal to registered shareholders of record as of August 27, 2026 providing instructions for the exchange of share certificates or direct registration system statements representing pre-Consolidation Common Shares for share certificates or direct registration system statements representing post-Consolidation Common Shares. Registered shareholders may also obtain a copy of the letter of transmittal by accessing the Company’s SEDAR+ profile at www.sedarplus.ca. Until surrendered, each Common Share certificate or direct registration system statement representing pre-consolidated Common Shares will represent the number of whole post-consolidated Common Shares to which the holder is entitled as a result of the Consolidation. No action is required by beneficial holders to receive post-consolidation Common Shares in connection with the Consolidation. Beneficial holders who hold their Common Shares through intermediaries (e.g., a broker, bank, trust company, investment dealer or other financial institution) and who have questions regarding how the Consolidation will be processed should contact their intermediaries with respect to the Consolidation.

Any forward-looking statement included in this press release is made as of the date of this press release and is based on the beliefs, estimates, expectations and opinions of management as of such date. The Company does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable securities laws.
